

Kaleidoscope Dream

Melissa Wells

This is a super fun quilt to make. Melissa love kaleidoscope and Dresdens so much that she make this pattern for all to enjoy. Even beginners can make a stunning quilt. It is so much fun to see what the next Dresden will look like. You will learn how to make kaleidoscope Dresedens without fussy cutting. How to make an easy border. How to sew four patches, strip piecing, easy triangles and other tips and tricks along the way. A supply list will be provided to you by the teacher.
