

Rulers on a Domestic Machine

Darlene Roberts

In this class you will learn how to add texture and design to your quilt projects. I'll have several rulers, including those designed for longarm machines for use in this class. If you have purchased rulers for your particular machine, bring them as well. Students taking this class should have free-motion quilting experience.

Supplies:

- Gloves for Free-Motion Quilting
- Machine and extra machine needles
- Thread and two filled bobbins
- Ruler foot that fits your machine
- Scissors
- Pencil for marking
- Notepad and pen/pencil for taking notes

Kit Cost & Contents - \$15 – Includes Handout, 2 muslin quilt sandwiches, practice piece
