

Crazy Fun

19

taught by Joyce Walton

Did you ever want to create an heirloom-type crazy quilt? Well, this is your chance, and you'll be surprised how easy it is. This class involves both machine piecing and hand work. Students will first create their crazy quilt blocks using their sewing machine, then hand embellish with simple embroidery techniques. A kit fee of \$8.00 is required the day of class, which includes cotton batiste foundation fabric, embroidery and beading needles and a perle cotton ball for some embroidery.

Joyce has been sewing and quilting for 30 years, and has been teaching art and quilting classes for the past 10 years throughout the southeast. She enjoys creating her own quilt designs, and is inspired by nature, color and of course, fabric.

Supply List:

In addition to your basic sewing supplies please bring:

Asst. fabric that can include velvets, silks, decorator fabrics, cottons; the sky's the limit! You choose your color palette

Neutral color upper and bobbin thread for machine piecing
6" embroidery hoop

Assorted trims, really anything goes, but not too wide

Assorted small beads - you choose

Neutral color silk thread - YLI 232 is good, taupe color is also fine

Assorted perle cotton embroidery thread (size 8)

Silk ribbon - 3 to 4 mm green is best for leaves, and pink, blue, whatever colors you like for flowers

Sewing machine in good working order with 1/4" foot (only straight stitching for this class, so feather weights are fine)

Rotary cutter, mat and ruler

Optional: Old costume jewelry pins, buttons, pre-made appliqué. Use your imagination - if you can sew or pin it onto fabric, it is fine.

Kit Fee: \$8.00 per student which includes cotton batiste foundation fabric, embroidery needle and full instructions

3 day class for all skill levels
