Bio

Daune (Dawn) has been quilting since the 70's and has written four quilt patterns. Dawn has taught at several quilt shops in South Carolina as well as in St. Louis, Missouri, Myrtle Beach Quilt Party and QSC Pieceable Retreats.

Dawn is a member of the Logan Lap Quilters. One year we were given salesmen's samples from Kaffe Fassett's line of fabrics. I came up with Green Diamond Envy.

Class Description

This quilt is similar to one made by Kaffe Fassett. I have simplified the directions to make the diamonds easier to construct. This quilt would make a great scrap buster or choose a fabric line with a large variety of florals. Polka dots would be a great choice as well. Looks complicated, but really easy!
