

## Rope Bowl Supply list

You will learn to construct a basic rope bowl with wrapped fabric to enhance a focal fabric on bottom of bowl and a few options for finishing a bowl. After this class experience you will have the basic tools that will allow you to experiment with design concepts. Should time allow, we also will make either a small trivet bowl or a table hot pad trivet.

What to bring to Class:

Sewing machine (must have a zig zag stitch)

Standard foot

#14 jean needles

Rotary cutter

Cutting mat

Pins

Ruler

Glue stick

Fabric clips

Off white thread

2 prewound Bobbins with off white thread

Junky Scissor for cutting rope

Fabric 3 - 6 x 6 piece of fabric with a design you like

3 - 1/8th yard or 3 fat quarter coordinating fabric to enhance bowl.

12" piece of heat and bond light.
